There is a small exit at the opposite end of the car park. Go through there and turn right along the track and follow the signs for Houns Tout. After about 1/3 mile you will go over a stile and into a field which will lead you to Houns Tout.

On the right will be the 'Encombe Bowl', in which is Encombe House and lake. Beyond the bowl you will see Swyre Head, the highest point on the Isle of Purbeck.

At Houns Tout, you will have great views to both sides with Chapman's Pool to your left. At this point you can return to Kingston on the same path, or you can descend the steep steps into Chapman's Pool, turn left and follow the tarmac road back to Kingston if you wish.
